

Dear Parents,

Thanks to those of you that made it to our first zoom meeting! For those of you who didn't, I'd like to do one every Monday at 2pm at least so the kiddos can all see each other! Meanwhile, I'm sending you a list of all the websites they can use for learning and class codes. If you need anything else from me, please let me know on dojo or school email. (alark@shiloh.k12.ca.us).

This is a Bridges workbook that has over 180 pages of math work. You can print only the pages you want and work on one a day. https://www.mathlearningcenter.org/sites/default/files/pdfs/B3PB-B_1110w.pdf

This is the AR link but I haven't tried to take a test yet but they said passwords were no longer required. So try it and let me know.

And for virtual field trips google has an app you can download called **google expeditions** where you can virtually experience people and places all over the world.

And for those of you who would like to allow your child to video chat with classmates and you have your own facebook account. Here are the instructions to access that.
