

Shiloh Elementary School District

Drop-off and Pick-up

We encourage all parents who are able to provide transportation for their children to do so. We are doing our best to avoid having large numbers of students needing bus service, and any help would be appreciated. All students will be required to have masks and implement social distancing.

Bus

Morning Drop-off:

- All students will be required to submit a morning screening form which includes a temperature reading before boarding the bus. These forms will be provided.
- Students are to report immediately to their classrooms unless needing to use the bathroom first (*students must follow bathroom protocols*). Temperatures will be taken upon arrival using an infrared, noncontact device.
- Two bus runs will be in effect (if needed) to avoid too many passengers on the bus at one time. Students will be assigned a seat in their grade-level area and sit one to a seat (exception for siblings). We will provide information and times.
- Once bus riders arrive at school, students being dropped off will be required to remain in car until all of the bus riders have entered campus.

Afternoon Pick-up:

- All bus riders will be dismissed from classrooms and must walk in an orderly fashion using social distancing to the bus.
- Students will be dismissed by their teacher in a grade-specific order and must walk directly to the bus for boarding.

Parent/Guardian:

Morning Drop-off

- Parents are to remain in vehicle unless assisting with helping a child into a vehicle. Children are to exit car in the designated area only to avoid congestion and control the flow of traffic into school.
- During bus drop-off: Students who are dropped-off by parents will be stopped momentarily to allow for bus riders to enter campus. Bus riders will be dismissed by grade and enter campus in this manner. Students will then resume with exiting vehicles.
- Students are to report immediately to their classrooms unless needing to use the bathroom first (*students must follow bathroom protocols*). Temperatures will be taken upon arrival using an infrared, noncontact device.

Afternoon Pick-up

- Students in each grade will be in designated areas and be called individual as their ride approaches the designated area for drop-off/pick-up
